Effective Date for Graduation Requirements (8 VAC 20-131-50.A)

- Graduation requirements are those in effect when that student entered the ninth grade for the first time.
- Standard and verified credits may be awarded for high school courses successfully completed prior to the ninth grade if they meet SOL content requirements or are equivalent in content and academic rigor as those courses offered at the secondary level.

Standard and Verified Credits (8 VAC 20-131-110.A and B) A standard credit is based on a minimum of 140 clock hours of instruction and successful completion of the requirements of the course.

- A verified credit is based on a minimum of 140 clock hours of instruction; successful completion of the requirements of the course; and achievement of a passing score on the end-of-course SOL test or additional test for that course as approved by the Board of Education.

Locally Awarded Verified Credits

- On May 24, 2006, the Board of Education approved revised Regulations Establishing Standards for Accrediting Public Schools in Virginia (8 VAC 20-131-10 et seq.), also known as the Standards of Accreditation. The link below is to the revised regulations. In the Standards of Accreditation (8 VAC 20-131-110.B), the Board adopted guidelines for local school boards to follow in awarding a verified credit toward a Standard Diploma to students. Beginning with the ninth grade class of 2003-2004 and beyond, students who do not pass Standards of Learning tests in science or history and social science may receive locally awarded verified credit from the local school board in accordance with criteria established in guidelines adopted by the Board of Education. For guidelines related to locally awarded verified credits, please refer to Superintendent's Memorandum, Administrative, No. 52, August 9, 2002, Attachment A found at <http://www.doe.virginia.gov/VDOE/suptsmemos/2002/adm052a.pdf>

Ways to Verify a Credit (8 VAC 20-131-110)

- End-of-Course SOL Tests
- Substitute Assessments
- Student-Selected Tests and Certain Professional and Industry Certifications and Licenses

End-of-Course Standards of Learning Tests Available for Verified Credit

- English 11: Reading, Writing
- Mathematics: Algebra I, Geometry, Algebra II
- Science: Earth Science, Biology, Chemistry
- History and Social Science: World History-to 1500 A.D., World History-1500 A.D. to present, World Geography, Part I, Geography Part II, World Geography, Virginia and United States History

Substitute Assessments

- The Board of Education has approved additional tests that enable students to earn verified units of credit. (8 VAC 20-131-110). The list of substitute assessments is found at <http://www.doe.virginia.gov/VDOE/Assessment/SubTestChart050506.pdf>.
- Students shall be counseled annually regarding the options for using substitute tests for earning verified credits . . . and the consequences of failing to fulfill the obligation to complete the requirements for verified units of credit. (8 VAC 20-131-50.L)

Student-Selected Tests

- The student-selected test(s) may come from (a) any end-of-course SOL test that is not already satisfying a required verified credit or (b) tests in computer science, technology or career and technical education, or other areas as prescribed by the Board. (8 VAC 20-131-50.B)
- On June 26, 2002, the Board adopted guidelines for school divisions to follow in awarding more than one verified credit for certain career and technical education certification and licensure exams. These guidelines were announced on the Department of Education's Superintendent's Memoranda Web site at <http://www.doe.virginia.gov/VDOE/suptsmemos/2002/adm045.html>.
- On November 30, 2005, the Board approved a revised list of industry certifications that can be used to satisfy student-selected verified credits. The complete list of approved certification and licensure exams can be found linked to Superintendent's Memorandum, Informational, No. 236, December 9, 2005, at <http://www.doe.virginia.gov/VDOE/suptsmemos/2005/inf236.html>.

Verified Credit Waiver

- In certain circumstances, school divisions can waive the verified credit requirement for students who transfer into Virginia public schools in grade 12. The form to request this option can be found at http://www.doe.virginia.gov/VDOE/Accountability/verified_credit_waiver_app.doc.

Superintendent's Memorandum, Interpretive, No. 2, December 20, 2002 provides further clarification for applying the criteria for transfer regulations. (<http://www.doe.virginia.gov/VDOE/suptsmemos/2002/int002.html>)

Modified Standard Diploma (8 VAC 20-131-50.D)

- Intended for certain students at the secondary level who have a disability and are unlikely to meet the credit requirements for a Standard Diploma
- Eligibility and participation in the program determined by the student's IEP team and the student, when appropriate
- Decisions of eligibility and participation may be made at any point *after* the student's eighth- grade year
- Must have written consent from parent/guardian for a student to choose this diploma program
- The student must:
 - be allowed to pursue a Standard or Advanced Studies Diploma at any time throughout his or her high school career
 - not be excluded from courses and tests required to earn a Standard or Advanced Studies Diploma
 - pass literacy and numeracy competency assessments as prescribed by the Board
 - For students who entered the ninth grade prior to 2000-01, the literacy and numeracy competency assessments were the reading and mathematics subtests of the LPT.
 - For students who entered the ninth grade in 2000-01 and beyond, the literacy and numeracy competency assessments are the eighth-grade English Reading test and the eighth-grade Mathematics SOL test (Board action – November 30, 2000).
 - The Board has approved the use of end-of-course assessments as substitute assessments for the literacy and numeracy competency requirement. In addition, students pursuing the Modified Standard Diploma shall have opportunities for expedited retest on the 8th grade tests. For complete information, refer to Superintendent's Memorandum, Informational, No. 30, March 7, 2003, found at <http://www.doe.virginia.gov/VDOE/suptsmemos/2003/inf030.html>.
 - The Board also approved four additional substitute assessments to satisfy the literacy and numeracy requirements for students pursuing a Modified Standard Diploma. Please refer to Superintendent's Memorandum, Informational, No. 53, March 5, 2004, found at <http://www.doe.virginia.gov/VDOE/suptsmemos/2004/inf053.html>.

Discipline	Standard Credits
English	4
Mathematics ¹	3
Science ²	2
History and Social Science ³	2
Health and Physical Education	2
Fine or Practical Arts	1
Electives ⁴	6
Total	20

¹ Courses completed to satisfy this requirement shall include content from among applications of algebra, geometry, personal finance, and statistics in courses that have been approved by the Board.

² Courses complete shall include content from at least two of the following: applications of earth science, biology, chemistry, or physics in courses approved by the Board.

³ Courses completed to satisfy this requirement shall include one unit of credit in U.S. and Virginia History and one unit of credit in U.S. and Virginia Government in courses approved by the Board.

⁴ Courses to satisfy this requirement shall include a least two sequential electives in the same manner required for the Standard Diploma.

Approved Courses for the Modified Standard Diploma

- A list of courses to satisfy the graduation requirements for the Modified Standard Diploma is attached to Superintendent's Memo No. 63, December 15, 2000, at <http://www.doe.virginia.gov/VDOE/suptsmemos/2000/adm063.html>.

Other Diplomas and Certificates (8 VAC 20-131-50.E, F, and G)

- **Special Diploma** – Available to students with disabilities who complete the requirements of their IEP and who do not meet the requirements for other diplomas.
- **Certificate of Program Completion** – Available to students who complete prescribed programs of studies defined by a local school board but who do not qualify for diplomas.
- **General Education Development Certificates (GED)** – Refer to *Regulations Governing General Education Development Certificates* (8 VAC 20-360-10, et. seq.), see also Superintendent's Memorandum No. 131, General Educational Development (GED) Testing Eligibility, effective July 1, 2006, found at <http://www.doe.virginia.gov/VDOE/suptsmemos/2006/inf131.html>.
- **General Achievement Diploma** – Available to students 18 years or older who meet the criteria set by the Board of Education. Refer to Superintendent's Memorandum, Informational, No. 123, August 1, 2003, found at <http://www.doe.virginia.gov/VDOE/suptsmemos/2003/inf123.html>.

Additional Local Graduation Requirements (8 VAC 20-131-50.A and 8 VAC 20-131-60.H and I)

- Local school boards may request and receive permission from the Board of Education to prescribe additional requirements for graduation. Additional requirements that were approved by the Board of Education prior to June 30, 1997, have been grandfathered indefinitely and can remain in effect until a local school board seeks to amend these requirements or the Board of Education takes further action. (November 30, 2000 Guidelines – see "Reference Documents" above)
- Local school divisions may not deny a Standard, Advanced Studies, or Modified Standard Diploma to any *transfer* student who has met the requirements for these diplomas if the student can meet the requirements only by taking a heavier than normal course load in any semester, by taking summer school, or by taking courses after the time when he otherwise would have graduated.
- Technical Assistance Document on Local Graduation Requirements - June 25, 1998
<http://www.doe.virginia.gov/VDOE/Accountability/gradguidance.pdf>

Electives

- **Sequential Electives**
 - Beginning with the graduating class of 2003, at least two sequential electives are required for the Standard and Modified Standard Diplomas.
Superintendent's Memorandum, Interpretive, No. 1, May 25, 2001
(<http://www.doe.virginia.gov/VDOE/suptsmemos/2001/int003.html>)
 - Guidelines Governing Sequential Electives - Approved by the Board on February 5, 2002 – Attachment A to Superintendent's Memorandum, Interpretive, No. 1, March 8, 2002
(<http://www.doe.virginia.gov/VDOE/suptsmemos/2002/int001.html>)
 - Sequential electives may be in any discipline as long as the courses are not specifically required for graduation.
 - Courses used to satisfy the one unit of credit in a fine arts or career and technical education course may be used to partially satisfy this requirement.
 - For career and technical education electives, check with the Office of Career and Technical Education at (804) 225-2051.
 - An exploratory course followed by an introductory course may not be used to satisfy the requirement.
 - An introductory course followed by another level of the same course of study may be used.
 - Sequential electives do not have to be taken in consecutive years.

- **Fine Arts or Career and Technical Education** - The Standard, Advanced Studies, and Modified Standard Diplomas each contain a requirement for one standard unit of credit in a fine arts or career and technical education. The Standards of Accreditation do not require that courses used to satisfy the requirement of a fine arts or career and technical education course be approved by the board. Therefore, local school officials should use their own judgment in determining which courses students take to satisfy the requirement of a unit of credit in fine arts or career and technical education for the Standard, Advanced Studies, and Modified Standard Diplomas.
- **Foreign Language** - The Advanced Studies Diploma contains a requirement for either three years of one foreign language or two years of two languages. In March 1998, the Board of Education approved the provision of three years of instruction in American Sign Language (ASL) for foreign language credit toward an Advanced Studies Diploma; other foreign languages will satisfy this requirement as well. Details of this action are available in Superintendent's Memorandum, Interpretive, No. 1, June 12, 1998, found at <http://www.doe.virginia.gov/VDOE/suptsmemos/1998/int001.html>.

Dual Enrollment

- Virginia's "Plan for Dual Enrollment Between Virginia Public Schools and Community Colleges" provides a framework for dual enrollment arrangements between Virginia public schools and community colleges. Arrangements may be made at the local level, i.e., between the representatives of boards of the participating public school and the participating community college authorized to contract such agreements to allow high school students to take college courses while enrolled in high school. Additional information can be found in Superintendent's Memorandum, Information, No. 73, April 1, 2005, at <http://www.doe.virginia.gov/VDOE/suptsmemos/2005/inf073.html>.

Diploma Seal Options (8 VAC 20-131-50.I)

- Superintendent's Memorandum, Administrative, No. 9, March 10, 2006 – Attachment A contains an order form for diploma seals (<http://www.doe.virginia.gov/VDOE/suptsmemos/2006/adm009a.doc>).
- **Local Seals**
 - Local school boards may define criteria for local seals or awards for exceptional academic, career and technical, citizenship, or other exemplary performance.
- **Board of Education Seal**
 - Complete the requirements for a Standard Diploma or an Advanced Studies Diploma with an average grade of "A"
 - Students who entered the 9th grade prior to 2000-01 will be allowed to earn the Board of Education Seal under the requirements in effect when they entered the 9th grade: an average grade of "B" (November 30, 2000 Guidelines – see "Reference Documents" above)
- **Governor's Seal**
 - Complete the requirements for an Advanced Studies Diploma with an average grade of "B" or better AND
 - Successfully complete college-level coursework that will earn the student at least 9 transferable college credits in Advanced Placement, Dual Enrollment, International Baccalaureate, and/or Cambridge examinations.
- **Career and Technical Education Seal**
 - Earn a Standard Diploma or an Advanced Studies Diploma AND
 - One of the following:
 - Complete a prescribed sequence of courses in a career and technical education concentration or specialization and maintain a "B" or better average in those courses, OR
 - Pass an examination or an occupational competency assessment in a career and technical education concentration or specialization that confers certification or an occupational competency credential from a recognized industry, trade, or professional association, OR
 - Acquire a professional license in that career and technical education field from the Commonwealth of Virginia.

- **Seal of Advanced Mathematics and Technology**

- Earn a Standard Diploma or an Advanced Studies Diploma AND
- Satisfy all the mathematics requirements for the Advanced Studies Diploma (four units of credit including Algebra II; two verified units of credit) with at least a “B” average AND
- One of the following:
 - Pass an examination in a career and technical education concentration or specialization that confers certification from a recognized industry, trade, or professional association OR
 - Acquire a professional license in that career and technical education field from the Commonwealth of Virginia OR
 - Pass an examination approved by the Board that confers college-level credit in a technology or computer science area.
- Lists of trade, industry, and professional licenses and certifications that satisfy the requirements for the Career and Technical Education Seal and the Seal of Advanced Mathematics and Technology are on the Internet at <http://www.doe.virginia.gov/VDOE/Instruction/CTE>. Click on “*Seals of Achievement*.”
- **Excellence in Civics Education**
 - Earn a Standard or an Advanced Studies Diploma AND
 - Complete Virginia and United States History and Virginia and United States Government courses with a grade of “B” or higher; AND
 - Complete 50 hours of voluntary participation in community service or extracurricular activities. Activities that would count include:
 - a) Volunteering for a charitable or religious organization that provides services to the poor, sick or less fortunate
 - b) Participating in Boy Scouts, Girl Scouts or similar youth organizations
 - c) Participating in JROTC
 - d) Participating in political campaigns or government internships, or Boys State, Girls State, or Model General Assembly
 - e) Participating in school –sponsored extracurricular activities that have a civics focus.

Any student who enlists in the United States military prior to graduation will be deemed to have met this community service requirement.

AND

- Have good attendance and no disciplinary infractions as determined by local school board policies.
